Excellent condition inside and out and a dream to drive. UNDER WARRANTY UNTIL END Feb 2009. Reluctant seller due only to a change of lifestyle. Enjoy many years of sheer driving pleasure.

This car looks sensational in white and the colour makes it a very safe car on the road . Plus the alloy wheels are very sharp looking. The white stays looking clean too, even in Melbourne's drought conditions. Interior is light grey with black mats. I am a non-smoking owner who has indulged this car with lots of TLC. IPOD cable and in car charger included. BMW Australia confirms the warranty will transfer with ownership. Vehicle is located in Kensington VICTORIA.
